Palestine-Israel Human Rights Initiative

The purpose of this new initiative of Pacem in Terris is to educate the public about the human rights violations in Palestine— the lack of reliable supplies of water and electricity; illegal and inhumane detention of children; abusive checkpoints; travel limitations; job discrimination; continuation of settlement expansion at the expense of demolishing Palestinian homes, and other abuses of basic human rights.

This project will also work on uniting constituencies in our

area— DelNATO, Delaware

Churches for Middle East Peace, J Street, Jewish Voice for Peace and others.

All of us need to be informed about this continuing and worsening crisis in Palestine so that we can educate others, take effective action, and work to alleviate suffering and make the needed changes so that all the people of the Mid-East can live in peace and harmony.
