

50 Year Peace Fund

If not now, when? . . . If not us, who?

Pacem in Terris is a grassroots, interfaith non-profit peace with justice organization that works collaboratively to spread, deepen, and enrich peace in the world, nation and neighborhood.

Pacem in Terris is launching a new initiative— our 50 Year Peace Fund. Its purpose is to provide a solid foundation for Pacem’s next 50 years of peace and justice work. It will play a vital role in keeping Pacem agile and strong as we respond to violence and war, injustice, inequity and poverty. It will help us work for justice and restorative justice, building peace and community in war zones and former war zones, including those in our own city. It will provide us the capacity to respond to emergencies being caused by short-sighted, anti-peace and justice policies advanced from Washington DC or elsewhere, as well as the yet-unknown emergencies that are around the corner. Most importantly, it will enable us to continue to nurture new initiatives that respond to the emerging threats to peace and justice as well as opportunities for making real differences in building the sustainable peace we all want.

We would like you to become a part of this initiative. Specifically, we are asking you to make a meaningful contribution to the fund.

Here is how you can contribute to the **50 Year Peace Fund**: Online at the Pacem [website](http://www.depaceminterris.org) (www.depaceminterris.org), or by mail, to Pacem in Terris, 401 N. West St., Wilmington, DE 19801. All contributions will be recognized in the beautiful 50th Anniversary Program for the Pacem Celebratory Dinner, October 19, 2017.

On the following page is a list of Pacem’s current peace and justice initiatives. Portions of the **50 Year Peace Fund** will be used to nurture these programs.

Following this list of current programs is *our 50 Highlights/ 50 Years* document that outlines Pacem’s history of peace and justice work.
