About us

Pacem in Terris is a 57-year old local peace and justice nonprofit 501(c)3 organization whose mission is to build relationships that transform minds to foster healing and peace. Pacem's programming provides opportunities to develop collective understanding of both our different experiences and shared humanity.

The **Traveling Peace Youth Art Exhibition** is one of Pacem's most beloved initiatives. In January, over 650 visions of peace were on display from 30 schools and community groups statewide, at the **Wilmington Library**. 500 people attended the opening including 100 artists and their families. Jurors selected the strongest messages of peace. High quality reproductions of the selected artwork will be framed and travel at prominent locations throughout the state, including **Nemours Children's Hospital, The Grand, University of Delaware OLLI, Legislative Hall, and State of Delaware Courthouses.**
