

Arts for Peace Sponsorship

Pacem in Terris is a 58-year old local peace and justice nonprofit 501(c)3 organization whose mission is to build relationships that transform minds to foster healing and peace. Pacem's programming provides opportunities to develop collective understanding of both our different experiences and shared humanity.

Arts for Peace is one of Pacem's most beloved initiatives. In January, over 500 visions of peace will be on display from over 30 schools and community groups statewide, at the Wilmington Library. 500 people will attend the opening including 100 artists and their families. Jurors will select the strongest messages of peace. High quality reproductions of the selected artwork will be framed and travel to prominent locations throughout the state, including Nemours Children's Hospital, The Grand, Legislative Hall, and State of Delaware Courthouses, Social Service centers, and Children and Family First locations in three counties. In 2026, we are thrilled that the Philadelphia Airport will host 30 young artists' visions of peace!
